MINUTES OF THE SIXTY-FIRST ANNUAL CONVOCATION

The Sixty-First Annual Convocation of the Protestant Episcopal Church in the Missionary District of Arizona convened at 4:00 p.m. on Wednesday, February 17th 1954, in Trinity Cathedral, Phoenix, Arizona, with the Rt. Rev. Arthur B. Kinsolving, 2nd, Bishop of the Missionary District of Arizona, presiding.

Following opening prayers, roll was called, all clergy and all registered delegates being called by orders, a quorum was proved present, and the Bishop declared the Sixty-First Annual Convocation duly convened.

Bishop Kinsolving, as the first order of business requested nominations for Secretary of the Convocation. The Rev. Paul D. Urbano being the sole nominee, it was moved that a unanimous ballot be cast to elect the Rev. Mr. Urbano. This motion was carried. The Secretary of Convocation then appointed the Rev. Clarence Franz to be his assistant.

Bishop Kinsolving next announced his appointments to membership on the following committees, to serve through the next succeeding convocation: Credentials, Time and Place of Next Convocation, State of the Church and Bishop's Address, Canons, Nominations Resolutions, and Dispatch of Business.

Beginning at 4:30 p.m., the following reports were made to the Convocation:

The report of the Secretary of the Convocation, which, with the sanction of the Bishop, requested the clergy to be more prompt in the matter of their parochial reports.

The report of the Treasurer, made by Mr. W. J. Jamieson, was read by the Secretary of Convocation.

The Chancellor made no report at this time.

The Board of Directors of the Protestant Episcopal Church Corporation of Arizona likewise made no report at this time.

The Very Rev. J. W. F. Carman, Chairman, read the report of the Council of Advice.

The report of the Financial Secretary, prepared by Mrs. Raymond Rudolph, was read by the Secretary of Convocation.

Beginning at 5:00 p.m., the following reports of the Departments of the Executive Council were received by title only:

1. Missions
2. Christian Education
3. College
4. Youth
5. Christian Social Relations
6. Publicity
7. Finance

The report of the Department of Finance, prepared by Mr. W. J. Jamieson, Chairman, contained a recommendation of the Department that $2,000.00 from the Missionary Expansion item in the District Quota for 1954 be used for salaries and travel expense of clergy. No objection was raised to this recommendation.

There being a balance of $4,035.02 in the Quota for 1953, it was the recommendation of the Department of Finance that it be allocated as follows:

$2,000.00	for Missionary Expansion in Tempe
500.00	for Missionary Expansion where most needed
125.25	to pay off deficit in Assessment
51.00	for arrears in clergy pensions for 1953
500.00	for Episcopal Student Center in Tucson
858.77	to repay loans from Episcopal Discretionary

Considerable discussion followed Bishop Kinsolving's brief summary of the needs of each of these which resulted in the unanimous approval of the distribution of the funds as recommended.

Convocation was adjourned at 5:20 p.m. until the following morning. The Convocation service was held in Trinity Cathedral at 8:00 p.m. of this same day. The Bishop, in place of the usual statistics, delivered a sermon to the assembled people and clergy at this time.

Convocation re-convened at 9:00 a.m., Thursday, February 18th.

Mr. Paul E. Whalen, Field Representative for "Blue Cross and Blue Shield," was introduced to the Convocation by Bishop Kinsolving, and outlined the new forms of health insurance available for the benefit of the clergy, with a view to bringing all those insured under the group coverage to an agreement upon the kind of protection desired. Although no action on this matter was taken by Convocation as a body, the business of determining the type of coverage was referred to the future actions of the various clerici.

There followed the reports of the Standing Committees, as follows:

1. Church School by Mail, presented by The Rev. Donald Robinson on behalf of Deaconess Mary Frances Ward. Mr. Robinson also reported as Chairman.

2. Canons: The Rev. David Churchman Trimble, Chairman, reported that the only proposed change (concerning Canon XI, Section 3) had been received too late for legal action by this Convocation.

3. Examining Chaplains: The Rev. Jerry Wallace, Chairman, reported that the Board of Examining Chaplains, as reorganized at the time of the 1953 Convocation in Douglas, Arizona, had conducted no examinations in the interim.

This resolution was unanimously passed.

(4) Whereas, William J. Jamieson, communicant, vestryman, citizen postmaster and engineer has served this Missionary District under two Bishops as Treasurer since 1942, and

BE IT FURTHER RESOLVED that a copy of these resolutions, appropriately signed and sealed, be tendered to the subject thereof.

Arthur B. Kinsolving, 2nd
Bishop of Arizona

This resolution was unanimously passed.

(5) Introduced on behalf of the Department of Promotion:

RESOLVED, that this Convocation go on record as supporting the evangelistic effort of the Bishop's Men to obtain one thousand candidates for Confirmation in this calendar year, and urges all clergymen and lay people of the Missionary District of Arizona to give it their whole-hearted cooperation and support.

This resolution, which had been passed unanimously by the Department of Promotion at its meeting of January 25th, 1954, occasioned some considerable comment, but was finally passed by the Convocation.

(6) Introduced on behalf of the Department of Promotion:

WHEREAS, in this Missionary District many parishes and missions are isolated by great distances; and

WHEREAS for this cause, our sense of solidarity in the one Universal Church is endangered; and

WHEREAS, in addition, there are few occasions upon which our congregations come together to worship; and

WHEREAS, it is particularly valuable for our children to see that they belong to a great and living fellowship; therefore

BE IT RESOLVED:

That annually, upon the Second Sunday after Easter, three special services be held in this District, one in Phoenix, one in Tucson, and one in Flagstaff, for the presentation by the children of the Mite Box Offering; and that representatives from the church schools, together with children's choirs, be sent to the service geographically appropriate to each.

This resolution, introduced to the Department of Promotion by the Rev. Paul Urbano on behalf of the Episcopal Clericus of Maricopa County, and unanimously passed by the Department of Promotion at its meeting of January 25th, 1954, was passed by the Convocation.

The Bishop next presented the Budget for the coming year, which Convocation approved.

Following a short recess and prayers for missions led by The Rev. Dallis Lee Harris, Convocation re-convened for a joint session with the Woman's Auxiliary, and heard from The Very Rev. J. W. F. Carman Chairman of the Department of Promotion, an explanation of the "Builders for Christ" Campaign. In the presentation of this campaign, the three areas of work to receive benefit, namely, the seminaries, overseas missions, and domestic missions, were represented by Mr. Stephen Shaddegg, The Rev. Dallis Lee Harris, and The Rev. Charles Crawford respectively.

Convocation recessed for luncheon at 12:45 p.m.

Convocation re-convened at 2:00 p.m.

A resolution concerning the "Builders For Christ" Campaign was then introdused, as follows:

WHEREAS the last General Convention authorized and directed the National Council of the Church to conduct in every Diocese and Missionary District during the present triennium a single campaign to meet capital funds requirements of the Church, and

WHEREAS in the opinion of the Bishop and the Department of Promotion of the Missionary District of Arizona, this jurisdiction should give whole-hearted support to this effort, and raise its mathematical quota of said funds, which is $13,870.00, therefore

BE IT RESOLVED that each Parish and Mission in this jurisdiction shall conduct the educational program outlined by the National Council Department of Promotion, with such variations as are locally necessary; and in order to make clear to all our people the necessity for this drive, and that each Parish and Mission shall give an opportunity to every person in its congregation to contribute, the method to be decided by each Parish and Mission for itself; and that the Missionary District office shall mail promotional material to all church members throughout the District; and that this campaign shall be completed not later than May, 1955.

BE IT FURTHER RESOLVED that each parish and mission give an additional 3% of it's apportionment for this campaign to pay for the mailing of promotional material and other necessary expense.

This resolution was passed by convocation.

At this time the Rev. Charles Crawford, Chairman of the Summer Conference Committee presented the schedule of events for this coming summer, adding a plea that clergy and laity alike do all within their power to promote interest in and support of this most valuable aspect of our religious life.

There being no reports either from the Committee on the Bishop's Address or the Committee on Time and Place of the next Convocation, the Bishop introduced to the Convocation Mrs. Sumner Walters, National President of the Woman's Auxiliary, who presented a remarkably comprehensive picture of the condition of the Church throughout the United States.

Following Mrs. Walter's address, The Rt. Rev. Francis Eric Bloy, Bishop of Los Angeles, was presented by the Bishop. After some personal reminiscences of his youth in Arizona, during which he paid special tribute to the ministry of Archdeacon Jenkins, Bishop Bloy spoke beautifully and simply of the profound truths of our Religion.

At the request of the Bishop, the Secretary of Convocation then read the results of the election, which were as follows:

District Treasurer: Mrs. Raymond Rudolph

Treasurer of District Quota: Mrs. Raymond Rudolph

Charles H. Crawford
George W. Ferguson

There being no further business, Convocation was adjourned with the Bishop's blessing.

REPORT OF THE BISHOP

Fellow Workers in the Missionary District of Arizona—May the Grace, Love, and Fellowship of the Triune God be with us all evermore.

In reporting on the important facts of our life and status in this Jurisdiction, there are some very significant advances, and there are the inevitable discouragements with the slowness with which people answer the constantly extended welcome of our Church. But, the over-all loyalty and devotion of our congregations and the cooperation of their officers with the District plans have been universally encouraging.

On behalf of the staff, as well as the Bishop, you have our sincere gratitude.

INDIAN MISSIONS

St. Andrew's Havasupai, continues under the ministrations of Miss Laetitia Viele, and is visited once a month by the Rev. Dallis Lee Harris, Rector of Epiphany Church, Flagstaff. The work of child care, religious instruction, and teaching of this heroic missionary is a blessing to every member of this small tribe. About one hundred members of this tribe have moved to Grand Canyon Village to work in connection with the tourist trade there. The Ven. Archdeacon Jenkins continues periodic visits to these members of the tribe to whom he has ministered for forty years.

Good Shepherd Mission, Fort Defiance, The Rev. Paul L. West became Superintendent on January 15th and has since kept in close touch with this office. With just firmness and indomitable energy, this clergyman straightened out the badly tangled affairs of the Mission, and, also, the confusion that existed among members of the staff, so much so that he justified the decision to retire his predecessor at the Mission. On a few occasions, there were visits from his predecessor, Mr. Clark, and his wife. The interferences and criticisms given to the personnel and friends of the mission were such that it was necessary to request that neither The Rev. Mr. Clark nor Mrs. Clark seek invitations to or visit the Mission.

The Rev. Mr. West, with the happy and cordial cooperation of the staff of the U.S. Bureau of Indian Affairs at Window Rock, has completed reorganizing the contracts and agreements for orphan care between the Mission and the United States Government. Preparations have been made for introducing a new water main to the Mission.

Through another generous gift from the United Thank Offering fund, the Thorne Memorial Building is now completed as far as it can be used. Through a gift from the National Council the entire utility systems of heating, lighting and water have been rebuilt. During this time, plans drawn by the firm of Meem, Zehner, Holien and Associates, Architects of Santa Fe, were accepted by the Mission for a new Chapel and a new residence. The cost of these plans were met by the generosity of Mr. Arthur Vining Davis, with a view to the possibility of making a gift to pay for the construction of these two buildings. (At this writing, the Arthur Vining Davis Foundation has made a gift of $250,000 for these two buildings.

At the time that the Rev. Mr. West took over the Superintendency of the Mission, no member of the staff resigned, and two former members of the staff returned. The full quota of workers has been filled.

In September the Rev. Mr. West received the information from his doctors that that it would be impossible for him, or for his wife, to remain resident in the 8,000 ft. altitude of the Mission. Mr. West finally felt it necessary to submit his resignation to the Bishop in order that he might appoint a successor, the resignation to take effect as of February 1st of the following year. It was decided that the Mission should have the benefit of a business manager in order to allow the clergy to carry out their religious ministrations. After a great deal of consideration, it was decided that the Rev. Davis Given would be appointed Superintendent, succeeding the Rev. Mr. West. It is most probable that the Rev. Mr. West will take over a new Mission in the Missionary District of Arizona.

MEXICAN MISSIONS

San Pablo Mission, under the ministrations of the Rev. Walter Dugan is suffering unforseen difficulties as the Mexican personnel of the community are moving over to California for long periods of time where working opportunities are greater. Also, the Negro population is increasing. Efforts have been made to integrate these two races. It is a religious difficulty of no little importance that those races who advocate greater action to eliminate segregation are guilty at times in segregating themselves. This clergyman was married recently to the widow of a former Methodist minister, who was ordained in that Church herself. She is doing excellent work in helping him with the problems of this Mission.

The Mission of El Buen Samaritano has assumed more of the expenses of the Mission than ever before. The wife of the Vicar continues to direct a school project among the Mexican children. She, also, has been appointed by the Community Chest as the Director of the Golden Gate Settlement run by that civic agency. The combined influence of this Mission and the Settlement has had a marked effect in reducing delinquency records in that area. The Clinic conducted by osteopathic doctors on a volunteer basis continues to be a tremendous contribution to the health of that neighborhood.

ARIZONA CHURCH CONFERENCE CENTER

This plant in Prescott, Arizona, enjoyed its most successful summer in the past nine years. Almost every week was occupied by a religious group, resulting in the elimination of all past debts and a great deal of repair of depreciation and the improvement of equipment. The Episcopal Church held the two most satisfactory religious conferences—a high school group in the first conference and a family and adult conference in the second.

It has been decided that the Bishop's Office will, in the future, remain in Phoenix during the summer months, as the move to the north is neither efficient nor necessary.

HOSPITALS FOR TUBERCULOSIS

St. Luke's Hospital, Phoenix. On September 29th, the Bishop, the Governor of the State, and many civic and medical officials assisted in a ceremony of Breaking Ground for the New Wing of the Hospital, the plans having been completed accepted, and contracts let. The building is progressing rapidly. This is a great step forward in the needed care of tuberculosis in this area. In addition to the original capital funds drive for this expansion, the federal government has made substantial additional appropriations possible. Other gifts of a significant nature have been made also. The Superintendent, Mr. Carroll Phelps, a former patient of this Hospital, is one of the ablest managers in his field and deserves most of the credit for this remarkable development.

St. Luke's-in-the-Desert, Tucson, continues to function with the splendid support of an active Board of Directors and a Board of Visitors. But, under the limitation of ministering to convalescent males only, it is difficult to keep every bed of the Hospital filled at all times. Nevertheless, the Hospital is run under the most modern rules of convelescent care. It is a credit to the Church.

COLLEGE WORK

At the State College in Flagstaff, the Rev. Dallis Lee Harris is doing most satisfactory work with the Episcopal students of that Institution. He is a highly respected clergyman among people of all faiths and among the faculty as well. The Canterbury Club is only one of several parish activities in which the students take part.

At the University of Arizona in Tucson, the Rev. Thomas A. Bogard has functioned with remarkable progress as Chaplain of the Student Center. The housemother, Mrs. Miriam Larkin, was compelled to resign, due mainly to the difficulty of taking care of her young daughter in the Student Center Building. In addition, the congregation of St. Paul's Memorial Chapel has increased both in numbers and responsibility and a very representative Board is directing the Episcopal Student Center.

On September 1st, the Rev. James E. Hacke, Jr., assumed charge of the new mission congregation **at the Arizona State College at Tempe,** which soon afterwards assumed the name of "St. Augustine's Mission". In spite of many discouragements, this clergyman continues to develop the Episcopal congregation and college student interest through the rental of the Danforth Memorial Chapel for the services on Sunday mornings. Restrictions and zoning laws have hampered the purchase of a strategic lot, but it is hoped, in the near future, to have a suitable plot in hand. $4,000 is already available for this purchase and further funds will be raised in the District.

WOMEN'S AUXILIARY

Its President, Mrs. H. M. Thornton, will retire at the Convocation in February, 1954, after her heroic leadership of the Auxiliary which she continued with courage and devotion in spite of the fatal illness and death of her beloved husband. She has not only led the Woman's Auxiliary during her administration, but prepared those who worked with her so that a very able and experienced successor will continue the work of this energetic body. Mrs. Thornton has driven her own car to the distant corners of the District to the smallest missions to encourage the women of this Church in world, national, district and local problems. There is an increasing life and energy among the women of our Church which is a very definite part of the hopeful growth in this area.

POSTULANTS AND CANDIDATES FOR HOLY ORDERS

There are now three Postulants for Holy Orders from this District: one of whom is studying under his Rector; one is at Bexley Hall, Gambier, Ohio; and the third has entered the Church Divinity School of the Pacific in Berkeley, California.

There are two Candidates for Holy Orders at the Church Divinity School of the Pacific: one of whom will graduate this June; the other will graduate a year from now. I am constrained to state that Mr. Adams Lovekin, this year's graduate, has asked me to release hom from the District of Arizona in order that he may volunteer to serve as a missionary in Liberia. We are glad in Arizona to make the sacrifice of this most promising young clergyman to go into that vast and needy work.

The Rev. Clarence William Franz, of the Christian Church, is a highly trained specialist in the field of Religious Education. He has many credits towards a Ph.D. degree at Leland Stanford University, and resigned to come into this Church from a salary of two and a half times greater than the one he accepted to direct the great youth work program of Trinity Cathedral in Phoenix. He came highly recommended from the Diocese of California and has shown steady development under the leadership and direction of the Dean of the Cathedral. Under the Canons, he will be ordained to the Diaconate, and to the Priesthood in due course.

For some time, Mr. Daniel Shaw Matson, an Associate Professor at the University of Arizona, negotiated with the Bishop to be accepted into the Priesthood of this Church, he having served for several years as a priest of the Roman Catholic communion as a member of the Franciscan Order. He left that Communion several years ago because of his inability to agree with the historic descrepancies of the claims and the unreasonable disciplines of that Church. During his life, he has done much teaching and has a splendid intellectual background. He is spending one year at the Church Divinity School of the Pacific.

Under the provision of Canon 38, he was examined by the Bishop of Arizona, Dean Johnson and three other members of the faculty of the Church Divinity School of the Pacific and, with the advice of the Council of Advice, he was received on December 18th into the Priesthood into this branch of the Holy Catholic Church. In June, upon the completion of one academic year at Church Divinity School of the Pacific, he will be assigned to missions in this District.

BUILDING

In addition to the above-mentioned New Wing of St. Luke's Hospital, the congregation of St. Peter's Mission in Casa Grande, were presented with a lot, and have almost completed a handsome church building, aided by the China Emergency Loan Fund of the National Church.

St. Paul's Church in Yuma is building another rectory in a much more attractive area, having sold the old rectory at a good price. The congregation of Epiphany Church, Flagstaff, have sold their former rectory and bought and completed a handsome, new rectory. St. Thomas' Clarkdale, has moved a building to a new lot and transformed the same into a much needed and satisfactory parishhouse.

The outstanding construction has been the new mission church of St. Michaels and All Angels in the suburbs of Tucson, an attractive, Spanish Mission type of adobe building with a seating capacity of three hundred. With a family membership of one hundred twenty-five transferred to this new church and a vital Sunday School program, this should be an independent parish within a very short time.

St. Luke's, Prescott, completed the expansion and remodeling of its church building which gave the needed, increased seating capacity of that active church and congregation.

At Williams, Arizona, St. John's Church was completed and dedicated in February. Resulting from the sale of an ancient and decrepit edifice in another part of the town, this Church was beautifully built. The Chancel, windows and furniture were brought over by truck from Christ Church, Jerome. Thus, the ghosts of a ghost town live on, as Jerome, a former mining community of seventeen thousand people, now has a handful of less than one hundred.

NEW MISSIONS

Mission of the Holy Cross, Ajo. This is a preaching station of thirty-five loyal church people who have met with the Bishop and wisely decided not to try and have a regular congregation with so few members. They continue to support the Federated Church whose Methodist pastor and Board have welcomed this group holding services of Holy Communion in their church once a month. The Rev. Mr. Bogard of St. Paul's Memorial Chapel, Tucson is undertaking the spiritual care of this group.

Church of Our Saviour, McNary. The Southwest Lumber Company, combined with a Board of a Community Chapel which received parochial support from the Company, has asked the Episcopal Church to take over this Chapel. The Bishop visited McNary, the Chapel Board, and the Officers of the Company, and secured the assurance of a reasonable independence as well as the offered cooperation of company officials. The Rev. William Pottenger, Vicar of St. George's, Holbrook, has been placed in charge of this organized mission to hold services each Sunday evening. If and when the congregation progresses large enough to warrant a separate clergyman in charge, then a residence will be furnished by the Company.

There are scattered members of our Church in Show Low, and other hamlets, who may be brought into this congregation.

Scottsdale Episcopal Church School. Our latest mission project was formed by a group of residents and winter visitors in the attractive suburb of Scottsdale, situated in Paradise Valley. It has been discovered that there are eighty children in the public school of this community who have expressed Episcopal preference. There are many Episcopalians who find it difficult to drive twenty-five to thirty miles to Phoenix, but who do want an active church in that Valley. At this writing, the Bishop of Arizona is preparing two Confirmation classes in this community of about twenty-five people, and is engaged in a series of prayers and fastings to bring the Rev.
five people, and is engaged in a series of prayers and fastings to bring the Rev.
Paul L. West to accept the call this congregation has given him.

EPISCOPAL MEN

There is splendid work being done in many parts of the District by the lay readers of St. Andrew's Brotherhood. In addition to this, Mr. Stephen Shadegg is head of the Presiding Bishop's Committee on Laymen's Work in this District, and is in touch with that organization and its representative in this Province. This work is developing with increasing strength along these lines.

"FORWARD IN FAITH" DRIVE
Trinity Cathedral Phoenix

In May, 1953, the Dean, Vestry and congregation of Trinity Cathedral, Phoenix, conducted a Capital Funds Drive, with an objective of $200,000. Pledges were secured in the amount of $195,000. With that amount, a large building was purchased at 202 West Roosevelt Street, which provided offices for the Bishop and the Missionary District of Arizona, and the Dean and his staff to take the place of those rooms in Bishop Atwood House originally given to the above for office use. This liberated many rooms for the crowded church school. Also purchased to meet a desperate need for the large Cathedral congregations was a formerly rented parking lot. In addition to this, plans are in the making for the expansion of the building facilities for a Youth Center.

OBJECTIVES

Our objective still is the attainment of Diocesan status, which is developing slowly. Our appropriation for English speaking work this present year will be $5,000 less than in 1953. Currently, we are paying off our loans to the National Church and locally in a definite building expansion program.

But, our immediate objective will be to take our proportionate share in the "Builders for Christ" Campaign which the General Convention laid upon the shoulders of the Presiding Bishop and the National Council. With God's help, we will contribute this over the two-year period and will do so gladly to help those projects which stand in such desperate need.

I believe the Church in Arizona is becoming more and more aware of how much has been given them in the past and is still being given us today. This realization is only the dawning resolution of the future. In which I hope, again by God's help, that we will become self-supporting, mainly in the knowledge that "it is more blessed to give than to receive".

Faithfully and respectfully submitted,
ARTHUR B. KINSOLVING, 2nd
Bishop of Arizona

REPORT OF THE DEPARTMENT OF FINANCE FOR THE YEAR 1953

July 9, 1953

Recommended that $2,000 from the Missionary Expansion item in the District Quota for 1954 be used for salaries and travel of clergy.

There were no other matters during the year necessitating a meeting of the Finance Committee.

Respectfully submitted,
W. J. JAMIESON, Chairman.

The Financial Secretary wishes to express her thanks to the parishes and missions in the District for their continued cooperation in making prompt and regular monthly payments on the Quota and Assessment during the year. Also for payment of the quarterly premiums on Blue Cross and Blue Shield for their respective clergy, payments for Every Member Canvass material and other incidental expenses which have all been paid in full.

There was a balance in the Quota at the end of the year of $4,035.02. Recommendation for its disposition will be made by the Finance Committee at another time during this Convocation. This balance was largeliy due to the Missionary Expansion item. The second largest item in the balance was in the Clergy Salaries due to vacancies in certain fields.

The deficit of $125.25 in the Assessment was due to unanticipated additional expenses in several of the budgeted items and not due to lack of payment on the part of the parishes and missions.

Only one-half of the churches have sent in their annual payment on the National Council Emergency Loan Fund. We urge all those who have not done so to send their payments in immediatly upon your return from this Convocation. We must send our composite payment to National Council at the designated time.

We wish to request that payments on special offerings, such as, Advent Offering for Godo Shepherd Mission, Good Friday Offering for work in the Holy Land, American Church Building Fund Commission, American Bible Society, Theological Education, etc., be made to the Missionary District of Arizona together with a note indicating the purpose for which the offering is intended. This is requested in order that proper record may be made in our District accounts. Many checks received for these purposes have been made payable to the institution to which it goes. A notation of such payment is made on the card for that particular account for our own reference but we are unable to show this on our annual financial report which is printed in the Journal.

A detailed report of all financial accounts in the District Office will be printed in the Journal as usual.

Respectfully submitted,
ROSEBUD RUDOLPH
(Mrs. Raymond Rudolph) Financial Secretary.

REPORT OF THE DEPARTMENT OF CHRISTIAN EDUCATION

1. Two meetings of the Department have been held since Convocation of 1953. Also discussions pertinent to our obpectives were conducted with the clerical members, during th Summer Conference, and also at the joint Laymen's-Clergy Conference in October.

2. The Training Conference held at Trinity Cathedral, May 13, was not representative of the District. The purpose of the occasion was to become acquainted with the situation which confronts our Department, and our parishes and missions; also to share some very concrete leadership training plans which must be started, throughout the Church in 1953-54. A detailed picture of our curriculum development was presented, so that we may know when to expect it.

3. The Department regards our Summer Conference as primary for the imparting of Christian Education, and urges clergy and laity to attend, and to provide opportunities for their children to be present at the Conference and the groups provided for their respective age levels.

4. May 24-25 at Trinity Cathedral ,the Department and representative Church School teachers will meet. Programs for the occasion have been mailed to all concerned. The situation in the District will be surveyed. A class composed of Church School teachers from grades one, three and seven will be assisted by Council staff members in making preparation for the proper use of the material to be published in 1955. Also our Department, and the Council staff, will meet to study problems which will be confronted in carrying such a leadership training program to all parishes in our District.

5. Intensive Week-ends (or Parish Life Conference). One of these will be held in the District March 19-21. This will be preceded by a conference of the Clergy from the congregations participating. The Clergy must understand what has happened, and foresee the state of mind in which his people return. The purpose of this Parish Life Conference is so to communicate the Faith of the laity that the communication will involve in itself an experience of the Faith as well as a verbal encounter with its meaning.

All of which is respectfully submitted

Chairman

REPORT OF THE BOARD OF EXAMINING CHAPLAINS

The Board of Examining Chaplains for 1953 was reorganized at the time of the Convocation in Douglas. No examinations were conducted in 1953.

JERRY WALLACE, Chairman
Board of Examining Chaplains

December 18, 1953

After informing the Chairman of the Board of Examining Chaplains of the Missionary District of Arizona, the bishop, acting under Canon 38, requested Dean Sherman E. Johnson and the Rev. Professors Robert Rodenmayer and Greer MacC. Taylor, Jr. to examine the Rev. Daniel Shaw aMtson, ordained in the Roman Catholic Church, on which occasion the specially appointed examining chaplains declared him, in their judgment, a fit person to be received unto the ministry of this Church.

REPORT OF THE DEPARTMENT OF YOUTH

The Department held three meetings during the year. This is a general statement of its conclusions.

The youth groups in the parishes and missions of the District participate to some extent in the program of the national Department of Youth, especially in the observance of Youth Sunday and the Corporate Communion. There is need for analysis and promotion of this part of the District program.

The Youth Convention held at St. Paul's Church, Phoenix, over the Thanksgiving week-end was well planned and carried through. Ninety young people attended, most of them coming from the smaller parishes and missions. At the Convention those youth groups represented pledged $2,435 to be raised in 1954 for the purpose of constructing a new recreational area at the Arizona Church Conference Center in Prescott.

Two youth rallies were held in the Northern Region—one at Flagstaff, the other at Winslow. It is felt that such rallies would be valuable in the other areas of the District.

The Youth Conference held in Prescott in June was a success. It afforded all present an opportunity to share in a community inspired and maintained in the spirit of Christ. It was sufficiently well attended and organized to meet its costs. The young people and the staff of the Conference are to be commended.

The Department desires to remind the clergy of the District that it is of vital importance to the work of this Department that they send the names of the young people in their care to the District YPF officers. These lists are needed in the fall. Notice is hereby given.

In closing its report the Department wishes to thank Miss Susan Roush, District Youth President; the Rev. Dallis Harris District clergy adviser; and Mr. Milan Zigich, Jr., District lay adviser.

Respectfully submitted,
CHARLES, H. CRAWFORD, chairman.

REPORT OF THE SUMMER CONFERENCE COMMITTEE

The Summer Conference Committee met four times during the year. Its report is as follows:

Two Conferences were held at the Arizona Church Conference Center in Prescott. One hundred eighteen persons attended the Youth Conference. Two hundred were registered for the Family Conference. In both cases this meant a near capacity enrollment, and that each Conference operated at a slight profit. The Youth Conference now has a balance of $255.75; the Family Conference a balance of $174.23.

It is the feeling of this Committee, and of all concerned with the Summer Conferences, that the effort expended on these projects results in valuable religious education and experience. Nothing but praise for both Conferences has come from those who attended, except that there continues to be an interest in the repairing and improving of the Conference Center itself. Much has been done, but more remains to be done.

It is the judgment of this Committee that few things on the District level merit the concern and support of the clergy and people as do these Conferences. The dates of the Conferences for 1954 are: the Youth Conference, June 13 to 20; the Family Conference, June 20 to 27.

Your Committee urges that we begin to promote our Summer Conferences now. We ought to do no less than to set before people the opportunity offered them in these adventures in Christian communities.

Respectfully submitted,
CHARLES H. CRAWFORD, chairman.

REPORT OF THE COMMITTEE OF THE DEPARTMENT OF MISSIONS

There has been no meeting of the Department of Missions during the past year, as no cause for such meeting was forthcoming. In the Arizona Church Record there have been reported the various churches which have reached parish status. We are happy to note that an organized mission with resident clergyman is now in operation at the important educational centre of Tempe. We understand that a resident clergyman is also antiicpated for the growing section of Scottsdale. In both instances the churches in these two places owe their beginnings to the work of faithful lay people. Laymen should be reminded that according to this pattern of lay development most of our churches have originated. We commend these faithful lay people and our Bishop for these new advances in Christian work in this District.

Respectfully submitted,
DAVID CHURCHMAN TRIMBLE,
Chairman.

COMMITTEE ON ARMED FORCES

The Committee on Armed Forces has had no meeting during the current year nor have there been any communications received from the National Committee regarding any additional activity than is presently engaged in.

Respectfully submitted,
GEORGE FERGUSON, Chairman.

COMMITTEE ON CHURCH ARCHITECTURE

The Committee on Church Architecture has held no meetings as a committee, during 1953.

However, it has offered its services in connection with the erection of the Church at Casa Grande.

Respectfully submitted,
GEORGE FERGUSON, Chairman.

REPORT OF DEPARTMENT OF PROMOTION
1953

The Department of Promotion is the liaison group between the National and the District groups which promote the program of the Church.

Our only special activity during the past year was the promotion of the Missionary District of Arizona's Every Member Canvass, at the Fall Clergy Conference, when the Chairman outlined the various materials available to aid the clergy and Canvass chairmen in raising the necessary funds for National, District and local budgets.

The Department stands ready to aid the clergy with regard to the following: Publicity materials; radio, records and audio visual aids; public relations. In this connection we stress the fact that the National Department has two new films ready: "Challenge in the Sun," which is a documentary on the Panama Canal Zone; and "Vision of Victory," which is an excellent documentary on our work in the Philippine Islands.

A full meeting of the Department was held at the Bishop's House on January 25th, for the purpose of determining the Department's recommendations concerning the "Builder's for Christ" campaign. This campaign is to raise, for capital needs in the Seminaries, overseas missions and home missions $4,150,000. The Department report will be given at the joint session of this Convocation with the Woman's Auxiliary, at 11 o'clock, February 18th, 1954.

The Department once again emphasizes the hope that the clergy will make continuous use of "Parish Helps."

Respectfully submitted,
JAMES W. F. CARMAN, Chairman.

REPORT ON GOOD SHEPHERD MISSION — 1953

February 2 1954

The Right Reverend A. B. Kinsolving, 2nd, D.D
Bishop of Arizona
202 West Roosevelt Street
Phoenix, Arizona
Right Reverend Sir:

The following report covers activities of Good Shepherd Mission not set forth in the Parochial Report or in the financial statements attached hereto.

Other than the regular care of children in the Home and the usual ministrations to the Congregation, the principle work of the Superintendent and Staff during the year 1953 has been the reassessment and reorginaztion of the Mission's whole program. We have been ably aided in this regard by visits from various members of the National Council; by officials of the Window Rock Area Office, the U. S. Bureau of Indian Affairs; by representatives of the Departments of Welfare, Health, and School Lunch Program of Department of Public Instruction, State of Arizona; by the Rector of the Church of the Holy Spirit, Gallup, New Mexico, and members of his congregation; by members of the former Board of Directors; and by the great amount of time and consideration devoted by the Chancellor and Bishop of the District to the many problems presented to them. The more important changes brought about are: the filling of all staff vacancies; new financial contracts and working relationships with Bureau of Welfare, United States Indian Service; and improvements to the physical plant, especially utilities.

The improvements to the physical plant have been made possible by grants of $15,000.00 from United Thank Offering Funds to be used for completion of the Thorne Building and $25,000.00 from National Council for replacement or repair of utilities.

All who are privileged to serve our Blessed Lord at Good Shepherd Mission join in expressing official, heartfelt thanks to all those mentioned above and to the thousands of others, both individuals and organizations who have contributed of their "time, talents and money" to make the work possible. The Superintendent would add his thanks for a most loyal and devoted staff, in which Mrs. West would join.

Respectfully submitted,
THE REV. PAUL L. WEST
Superintendent

REPORT OF THE COMMITTEE ON CANONS TO THE CONVOCATION OF THE MISSIONARY DISTRICT OF ARIZONA MEETING IN TRINITY CATHEDRAL, PHOENIX, FEBRUARY 17-18, 1954

There has been no activity in the Committee on Canons during the past twelve months. A proposed change in Canon XI, Section 3 was sent February 2 in anticipation of action at this Convocation. However, since any change must be submitted at least thirty days before the beginning of Convocation, the suggested alteration canonically cannot be considered at this time.

Respectfully submitted,
DAVID CHURCHMAN TRIMBLE
Chairman

REPORT OF CHURCH SCHOOL BY MAIL TO CONVOCATION PHOENIX, ARIZONA, FEBRUARY, 1954

The work grows in interest and has been extended to four new places during the year: McNeal, Tiger, Hayden Junction and Congress. Three families have withdrawn, but only to attach themselves to a new Church, either own own or a Community Church brought into their locality. The families are happy for this and we feel pleased and thankful that the Church School By Mail could provide Christian education during the interim.

Letters from parents, and children too, tell of their pleasure in receiving graded lessons and they feel they are learning a great deal, and loving it at the same time.

One of the functions of the Church School By Mail which has not been developed is lessons to be sent to invalid or shut-in children, either boys or girls confined to hospitals, homes, or as patients in their own homes. Through interested friends a committee has been formed, with Mrs. Derrill Manley as chairman, to enlist children of this group.

Many kind friends have again given helpful assistance: Mrs. Carol Wallis, in her third year donating her time every Tuesday afternoon and evening: The Guild at St. Mark's Mesa, in wrapping the children's Christmas gifts; and Mr. and Mrs. Jorge Geli for two new maps which they made, indicating the places our Church School By Mail families live.

The scholarship to send one child to Camp was again received from the Auviliary of Trinity Cathedral, and was used for sending a boy to Family Camp.

We close another year of work in the Church School By Mail and we ask God's Blessing on all our efforts begun, continued, and ended in Him and on the 72 boys and girls.

Respectfully submitted,

MARY FRANCES WARD,
Deaconess

REPORT OF THE DEPARTMENT OF PUBLICITY TO THE CONVOCATION OF THE MISSIONARY DISTRICT OF ARIZONA MEETING IN TRINITY CATHEDRAL, PHOENIX, FEBRUARY 17-18, 1954

The Department of Publicity has been responsible for the publication during the last twelve months of three issues of the Arizona Church Record and herewith submits a report of costs for same. We regret that a deficit has been incurred as we had hoped to make the Arizona Record possibly self-supporting at this time. Various attempts at securing a business manager who would care for soliciting advertising for the Record have so far been abortive. An interested party living near Prescott may prove the answer to our problem. We face the dilemma of either gaining support through advertising or subscriptions or reducing the size of our paper considerably. The cost of publication has been the result of accepting the lower of two submitted bids. The cost of handling and postage as you see is quite large. The editor of the Arizona Church Record is willing to carry on in his work of editing, should the Convocation so wish, but has not the time or facility to solicit advertising support.

Our Department has in its possession the recently produced filmstrip from the National Council of Publicity on the subject of what conprises good newspaper publicity. This filmstrip is available to any church in the District which wishes same for an organizational program.

We hope that our congregations will consider newspaper advertising as an educational medium for those outside our church and we shall submit during the coming year advertising copy of this nature, which can be inexpensively reproduced in local newspapers.

Respectfully submitted,

DAVID CHURCHMAN TRIMBLE

REPORT OF THE SECRETARY OF CONVOCATION

The Secretary of Convocation, with the permission of the Bishop, would like at this time to make a formal protest to some of his brother clergy in the matter of their Parochial Reports. The Secretary asks the clergy to listen patiently while he enumerates his complaints, since he has attempted, with what patience he could muster, to prepare statistics for this Convocation in the face of these same difficulties.

In the first place: the clergy were requested to return their Parochial Reports to the Secretary of Convocation by January 20th, and were supplied with the necessary forms on or soon after January 6th. Yet only ten reports had been received by the specified date. One was received on February 15th, two days ago; one was received on February 16th yesterday; and one has never been received at all.

In the second place: although the Bishop requested the clergy to make a particular effort to include in their Parochial Reports adequate information on property values and insurance coverage, five congregations failed to do so.

In the third place: although the canons of the National Church require that church books shall be audited annually, the reports of 14 congregations show no evidence of having been audited; and in two cases the priest in charge himself signed as auditor.

The Secretary of Convocation would like to point out to his brother clergy that the task of compiling statistics for this jurisdiction must be carried out by one who, like themselves, is busy with obligations of the ministry, and that delinquencies of this kind are thoughtless and make the work of the Secretary impossibly hard.

Respectfully submitted,
PAUL D. URBANO,
Secretary of Convocation

The Statistics for 1953 compared with those of the year before, are as follows:

Church School Membership	4,732 compared with 4,742: a loss of 10.

Receipts	$559,394.68 compared with $438,091.45 in 1952: a gain of $91,176.18.
Disbursements	$539,421.90 compared with $458,218.50: a gain of more than $81,000.

REPORT OF THE REGISTRAR

Your Registrar wishes to report that copies of Journals from various other jurisdictions have been received and placed on file during the year, and copies of all issues of the Arizona Church Record placed on file. The copies of the Arizona Church Record have now accumulated sufficiently to warrant having them bound. It is proposed to have this attended to in the near future. The last bound volumes includes the year 1942.

Respectfully submitted,
PAUD D. URBANO, Registrar

REPORT OF THE HISTORIOGRAPHER

At the request of Senator Barry Goldwater, a copy of a history of the Church in Arizona was supplied him some months back. This history was compiled by the Venerable J. Rockwood Jenkins and has been considerably condensed by the District Office personnel. Copies of this brief summary could be duplicated for distribution to the churches in the District if so desired.

Respectfully submitted,
PAUL D. URBANO, Historiographer

REPORT OF THE DEPARTMENT OF CHRISTIAN SOCIAL RELATIONS

The Department of Christian Social Relations has carried on, as in other years, largely in cooperation with the Christian Social Relations Department of the Arizona Council of Churches. This is made easier this year by the fact that the Chairman of this Department is also Chairman there, and that some of our clergy and laymen serve on committees in both departments.

The most noteworthy work has been done by the committees on the Church and Economic Life, Human Relations, International Justice and Goodwill, and Institutional Services.

Some of our clergy are doing part time chaplaincy work in hospitals and other institutions.

Anyone who is in a community where one or more displaced persons can be relocated should get in touch with Mr. Crawford, co-chairman of that committee in the Arizona Council of Churches. The quota of our Church for Arizona is not yet filled.

Speakers on various aspects of Christian Social Relations are available by communicating with the chairman.

We recommend that the clergy aid the Christian Social Relations Department of the Woman's Auxiliary, the Church School Superintendent, or Director of the Young Peoples' Fellowship in setting up courses of study and discussion groups on up-to-date materials in the fields of Race Relations, International Friendship and Goodwill, Religion and Health (especially the new Tuberculosis Program in Arizona) the Church and Economic Life, and the Migrant Problem.

In order to teach that it is more blessed to give than to receive, we recommend that Christmas gifts to our children be discontinued, and be replaced by understanding, concern, and sharing, which will help overcome the problems that cause poverty and segregation.

This Department feels that a capital funds drive should be made looking to the building of a chapel at St. Luke's, Phoenix, in order to take care of the larger number of ambulent patients, now that the new building is about to be completed.

Many of our parishes and missions have aided in the work of Church World Service, Korean Relief, and other similar activities. We urge that this work be continued and increased.

San Pablo Mission wishes to thank all parishes and missions that sent boxes of clothing during the past year.

Respectfully submitted,

(The Rev.) WALTER DUGAN,
Chairman

SIXTY-FIRST CONVOCATION OF THE PROTESTANT EPISCOPAL CHURCH IN ARIZONA, FEBRUARY 17-18, 1954, AT TRINITY CATHEDRAL, PHOENIX

Report of the Committee on Credentials and Nominations

Thirty days prior to the meeting of Convocation, nomination sheets were mailed to all clergymen in the District entitled to a vote in Convocation. The nomination sheets covered the elective offices to be voted upon at this Convocation. A request was made that they be filled in and returned to the chairman of the Credential and Nominations Committee. One- half of them were returned; apparently, the other half represented a waste of time and stamps and paper.

This committee did not meet during the year. There was nothing to make a meeting necessary. The duties of the committee call for no political decisions. The work of the committee is a simple, plow-horse job of typing the nomination sheets, mailing them out tabulating the names thereon when and if they are returned, then setting them up in ballott form and having the ballots printed and on hand for the vote at Convocation.

Because the job is strictly routine, the committee has nothing much to report except that the work has been done.

Respectfully submitted,

DAVID JONES, Chairman

STUDENT WORK AT ARIZONA STATE COLLEGE AT TEMPE

Report for the Convocation of the Missionary District of Arizona 17 and 18 February 1954 AD

In Arizona State College at Tempe, 126 Students registering this term listed their church preference as "Episcopalian". Of these, 78 come from homes in Phoenix, Mesa, or Scottsdale, or commute from homes farther away. These students are usually at home on weekends; it is with the remaining 48 students who are normally in Tempe on weekends that we have been able to accomplish the most.

We have no plant of our own. For this reason, and because we feel it better policy anyway, our primary effort has been to interest college people in the work of Saint Augustine's Church, the Episcopal mission in Tempe, rather than in the "Canterbury Club". "Canterbury Club" is at present a rather nebulous affiliation of those Episcopalian students who happen to be interested in it.

We have one student on our Bishop's Committee; three who pledge to the support of the Church as citizens of Tempe; and three who sing more or less faithfully in the choir. The wife of one student teaches in our Church School. A half-dozen others attend our Sunday worship services on the average. Needless to say, student turnout at dinners and picnics organized by the mission is somewhat better than this!

The Canterbury Club has met at intervals all year. At first we tried to establish regular weekly meetings, organization, and program; this proved impracticable, partially because of scheduling difficulties. Then, for a while, a small group of students met on Sunday evenings for dinner with the Chaplain.

Early this term the Canterbury Club sent out invitations to all 126 students to a picnic-dance. About twenty reservations were made; on the date of the picnic, it rained for the third time all year. Nonetheless, the six who did show up had a good time and laid some plans for the near future.

Among these plans are a field trip to Nogales Junction to observe college work there, and the finding of a building possible to rent and fix up as a student center. Acquisition of such a "Canterbury House" should forward our work appreciably, particularly in furnishing a "home away from home" for dormitory residents and commuters alike.

Our beginnings have been small; but we look forward with confidence. There are three reasons for this optimism. First, as we get acquainted with the students and acquire some facilities, we can build on what we have. Second, on the basis of the expected growth in college-age population of Arizona and especially of the Salt River Valley, we can expect the enrollment, and therefore the number of Episcopalian students, to double by 1960 and triple by 1970. Third, and most important, only a small minority of A.S.C.-Tempe students take part in Church activities of any kind. We can hope that, as these "practicing pagans" find out what the Episcopal Church stands for, they will be drawn to it. This process has already started.

Respectfully submitted,

(The Rev.) JAMES E. HACKE, JR.
Chaplain to Episcopal Students
Arizona State College at Tempe

REPORT ON COLLEGE WORK AT ARIZONA STATE COLLEGE AT TEMPE

Rev. James Hacke, Chaplain, has been in residence at Tempe only this academic year but has already made a start with his duties. A Canterbury Club is being organized, land has been purchased for a parish and student center, and building plans are being developed. We expect that by this time next year, he will have great things to report to us on the work at Tempe.

REPORT ON COLLEGE WORK AT ARIZONA STATE COLLEGE AT FLAGSTAFF

Report of Rev. Dallis Lee Harris, Rector and Chaplain:

We do not have a lay person who is actively working with our college group, but rather have combined the Canterbury Club and the Young Peoples Fellowship. Mr. and Mrs. James Dunn help me with this combined group. We have been following the plan of meeting each Sunday evening at 5:30 for evening prayer, then having

supper together; this being followed by a discussion group and a period of recreation. The money which the Woman's Auxiliary gave so generously has been used mostly for underwriting our losses on these Sunday evening suppers, and for transportation to nearby towns for joint meetings with other groups of young people.

We have about 26 college students who are fairly active in the Canterbury Club, and can nearly always depend on more than half of them being present each Sunday. This is a much larger group than we had last year, and one of the most encouraging trends is that the college people are attending our Sunday morning services regularly.

We are trying at the present time to accumulate enough money to send a representative group of the college students to the spring retreat at Havasupai Canyon.

D. THINGS YOU CAN DO TO HELP COLLEGE WORK IN ARIZONA AND ELSEWHERE

1. AS A PARISH

a. Early in the summer, send names of students entering college to the appropriate Chaplain at that college. Use the "Letter of Commendation" form available free from National Council (See Parish Helps Catalogue). Your own parish priest will help you obtain and fill out these forms.

b. Have summer party and/or Christmas party given by parish for its college students. Make it fun!

c. Keep college students on your parish mailing list while they are away at school.

d. Ask your Rector to make use of the prayer for Schools, Colleges, and Universities, found on page 42 of the Prayer Book.

e. If you should hear comments or criticisms of college work programs please tell the Chaplain concerned. He wants to know.

f. Give financial support in your parish budget, if at all possible to do so, and however small it might have to be.

2. AS AN INDIVIDUAL CHRISTIAN

a. Work, give, and pray for the extension of Christ's Kingdom on the College Campuses of Arizona.

b. If YOUR son or daughter is in college, visit the Chaplain of that College —get to know him ahead of the time when you feel that you might need his help in a tight situation.

c. And even if you haven't a child in college, visit the Student Center and Chaplain of the College nearest you. Maybe you can help by providing an occasional cake or batch of cookies for the Canterbury Club, or by perhaps inviting for Thanksgiving or Christmas some lonely college student who is unable to go to his home a long ways away.

d. Personally encourage college students from your parish to join their Canterbury Club at college.

He told of the Pan Anglican Congress to be held in Minneapolis in August, that each jurisdiction is entitled to a delegation of the Bishop, one Presbyter and one lay person. He announced that by vote of Convocation it was decided that the Auxiliary elect the lay person from its group.

Mrs. Siebenthal, Educational Secretary, in giving her report, outlined the work that could be done in the field of religious education and spoke on the current study books. She called attention to a display of books and material she had on hand.

The Nominating Committee was asked to give its report at this time, although the election would not be held until the afternoon session. The following names were presented for nomination.

President: Mrs. E. C. Seaman, Phoenix.
1st Vice-President: Mrs. J. E. Thompson, Mesa

Upon completion of the second reading, Mrs. Seaman moved the adoption of the Revised Constitution. Motion was seconded by Mrs. Phelps. Carried. Then followed the same procedure with the By-Laws. February 18, 1954, 3:20 p.m., the General Session re-convened after the Joint Session with Convocation, to finish the business outlined.

Mrs. Walters addressed the meeting on this time, telling of the recent meeting of the National Executive Board and of some of the important challenges that face Church women today.

Mrs. John R. Kennedy gave a stirring report of her activities as Custodian of the United Thank Offering, reporting considerable increase in this first half of the triennium.

Mrs. Thornton announced the election of officers and the secretary was asked to read the report of the Nominating Committee that had been presented at the morning session. It was moved and carried that the slate, as presented by the Nominating Committee, be accepted. The secretary was instructed to cast the ballot for the nominees and the following were duly elected:

President: Mrs. E. C. Seaman, Phoenix
1st Vice-President: Mrs. J. E. Thompson, Mesa
Corresponding Secretary: Mrs. Wm. C. Barr, Jr., Phoenix
Recording Secretary: Mrs. Olga G. Keller, Tucson (unexpired term of one year)
United Thank Offering Custodian: Mrs. John R. Kennedy, Phoenix
Educational Secretary: Mrs. Dewey Born, Flagstaff

Five delegates were nominated from the floor to represent the Arizona District Auxiliary at the meeting of the Provincial Woman's Auxiliary at the meeting in Bellingham, Washington, May 4-6, 1954. The following were duly elected:

Mrs. John R. Newcomer

Mrs. Owen B. Duffy, Yuma
Miss Dorothy Noyes, Douglas
Mrs. J. L. E. Lauderdale, Phoenix

These persons were duly elected, the two other members to be appointed by the incoming president.

In accordance with the vote of Convocation, the election of a delegate and alternate to the Pan-Anglican Congress was held. Mrs. H. M. Thornton was elected delegate and Mrs. John R. Newcomer alternate.

Mrs. Seaman suggested that since the adoption of the newly Revised Constitution and By-Laws had necessarily been hurriedly passed, that mimeographed copies be prepared for use for one year before the final printing.

Mrs. Newcomer suggested that the History of the District Auxiliary be bruoght up to date, and after some discussion it was decided that the new president appoint a committee to write up the history for the last twenty years.

Announcement was made of the removal from the state because of ill health of Mrs. Cora Beach, former U.T.O. Custodian, and Mrs. McWhorter suggested that the Corresponding Secretary be instructed to send her a letter of greeting. Authorized.

Mrs. Thornton appointed the following committee to read and approve the minutes of this session: Mrs. Austin McWhorter, Mrs. Frank Sharman and Mrs. Harlow D. Phelps, all of Tucson.

RESOLUTIONS COMMITTEE

The President, Mrs. Thornton, then gave her message as follows:

"The things that you have done during the past three years have been a great contribution to the Church, the District, and the Province. We have contributed greatly (in a financial way) to College Work, the Divinity School, St. Margaret's House, and the Indian Work. This, as you know, is only a small part of our many projects. There have been six new Guilds and Auxiliaries organized during this three-year period. Our Regional meetings have grown unbelievably. We have become more conscious of the need of more delegates attending District, Provincial, and Triennial Meetings. We had a full delegation attending Triennial at Boston, and the Synod at San Francisco last Summer.

I am most grateful for our having established an Annual Retreat for the women of our Missionary District; that as you know was very near and dear to my heart.

I am proud of everyone of you and am humbly conscious of the high honor shown me in having elected me as your president for the past three years.

It is now time for me to turn over to my successor, this little lamp and gavel. The gavel, the symbol of authority I am placing in very capable hands; and the little Lamp, the Chi Ro, the symbol of Christ the Light of the World. This little lamp will be a comfort to you, Henrietta, as it has been to me, and will lighten dark moments.

I shall keep deep in my heart the memory of your friendship, co-operation and your faithfulness to the Auxiliary. All of you have done much towards making these three years a success. We have advanced in many ways, and will continue to do so.

I shall be eternally grateful to you all for the friendship, understanding and loyalty shown me during my term of office".

Mrs. Seaman accepted the symbol of authority as our new president and thanked the assemblage for the honor and confidence conferred upon her — Our new President then asked Mrs. Thornton to close the meeting with prayer. Meeting was adjourned.

Respectfully submitted,
